

CLASSIC CAR INSURANCE

Your classic
deserves our
protection.

Safeco® Classic Car offers the coverage you need at a great value.

Your classic, collectible, or vintage ride is much more than a vehicle — it's a labor of love, a passion, and a hobby rolled into one. When you're cruising the open road or at a car rally, get the peace of mind of knowing it's properly protected.

Safeco knows collector cars

Sure, we're known for insuring homes and autos, but we're great at collector car insurance, too! In fact, if it's at a collector car show, there's a good chance we can insure it!

- Pre-war vintage and antiques
- Resto mods and customs
- Hot rods, street rods and rat rods
- Muscle and sports cars
- Clones, replicas, and turn-key kits
- Modern classics and limited/special-edition vehicles
- Daily driver classic cars
- Fire trucks, tractors and decommissioned military vehicles

Protection you can count on

Safeco insures all collector cars for agreed value, which means you'll receive the amount agreed upon when you took out your policy if the car is declared a loss. No depreciation, no confusion.

- Safeco is backed by the stability of a Fortune 100 company combined with the protection you need.
- We have a convenient app that lets you manage your account. You can request flat-bed towing, a jump start, fluids and more 24/7/365 as part of our roadside assistance program.¹
- Select emergency assistance coverage and we'll also cover expenses like: taxi fare, lodging, and protection for personal belongings if your collector car is disabled, even if not on the way to a show or cruising.²

Valuable extras

With Safeco, not only can you insure your collector cars, you can also insure your homes, regular cars, boats, motorcycles, ATVs, golf carts and more! This gives you benefits like:

- Safeco's single-loss deductible.³ In the event that you experience a single significant loss, like a fire or major hailstorm, that is covered by your Safeco Home policy, deductibles for other Safeco policies, like your autos and collector cars, may be waived once the home deductible is paid.
- You can take advantage of custom equipment coverage, full glass coverage, accident forgiveness, Claims-Free Cash Back™, diminishing deductibles, pet coverage and more!
